# SENIOR PROPHECY (THE REUNION)

A \_\_\_\_\_

In the year 2002, the 25 year reunion of the class of '78 was held at the famous resort, Riverside Inn.

Five star general Marlene Allen, first woman general in the Marines came in puffing on a cigar and called everyone to attention. Rita Bennett (Taylor?) walked in with two miniature "Hot Dogs" at her side looking at the calorie filled chips and dip of which she, "Miss figure of '78" was forbidden to partake. Everyone turned as Dana Cales was heard coming to a very abrupt stop in his 1962 chevy pickup with Steve Hedrick and Gerald Richmond coming in a close second and third as they finished racing down the stretch still hot from the escapade!

Having just flown in from Hollywood, Mary Hale, Superstarlette, swooped into the room followed by her entourage of makeup artists, pressmen, Haldressers, body Guards, and loyal fans. No one was surprised to see her. She stopped to nod at Kathy Boone who had Dribbled in from Radcliffe, where she just received her doctorate in Computer Technology. Standing to Kathy's left was Norman Lyall, Famous art director and coordinator for the new TV. series, "The Walnuts", starring James Hodge and Greg Morgan as the Walnut Brothers.

As a great roar was heard outside, up pulled the ambulance from Summers County Hospital and out jumped Nurse Brenda Richmond and Partner Alana Mann dragging their victim, The Reverend Timmy Morgan, who had fallen off his pulpit and injured his leg, not to mention its effect to his sermon.

The people in the corner were briefly interrupted before continuing with their discussion. The people were David Talbott, Prestigious Algebra teacher, and Debbie Eary, famous English Teacher, both enthusiastically involved in the discussion of the way kids these days just aren't like they used to be.

We couldn't figure out where the faint singing noise was coming from until we looked under the table and saw Carol Smith sitting tight with her guitar singing her little heart out. We might add that she had a collection cup sitting in front of her and we all pitched in and helped.

Todd Wynes came staggering in, eyes ablaze as he stumbled up to the bar. There he met Junior Wykle, who had just won the first game in the world series for the Hinton Fire-eaters. They discussed old days at T.H.S. where they shared the award for the 1978 best Partiers. It was good to see them still trying to be the best.

A Mercedes pulled up and out stepped world reknowned depressionest, Paul Reed, chased by two men in white coats with a net. Then we heard a smack and a scream and when we looked we saw Cathy Llegal coming in dragging George and still swearing she'll never have another kid.(George was 26 years old).

A limousine pulled in and the chauffeur opened the door and out steps one of Hinton's wealthiest men, Daniel Farley, with his main woman Becky Faris. Two people were absent from our reunion. They were Karen Gore who had taken one of her seventeen kids to have an ear sewen back on where where one of her other kids cut it off, and unfortunately, Francine Gore had to baby sit.

Gary Huffman walked in late as ever, because he had to finish cleaning Talcott High School before he could come. Robin Pettrey, Connie Underwood, and Peggy Jones, nuns from the local convent, came riding up in a stagecoach, and we were very glad to see the pious sisters. Last but not least, the limousine from the Talcott Retired Teachers' Association arrived bearing Susan Wyant, the administrator, wheeling a double wheel chair in which were riding, Mrs. J. Jones and Mr. Dallas Mann. Mrs. Jones was taking lunch count and Mr. Mann was taking the roll.

We knew they would remember their respective lists, because who could forget the class of '78.

Respectfully submitted, Marlene, Kathy, Becky, Danny, Mary, Cathy, Norman, Alana, Carol, Junlor, and Todd.

Organizations

Even though we're seniors, we sometimes put our search for wisdom and knowledge aside, while we have some fun! Working together in a functional unit

to R., Sponsor, Mrs. Jane Jones, Todd Wynes, Marlene Allen, Norman Lyall, Mary Hale, Carol Smith, Kathy Boone, Junior Wykle, Alana Mann, Becky Faris, and Daniel Farley.

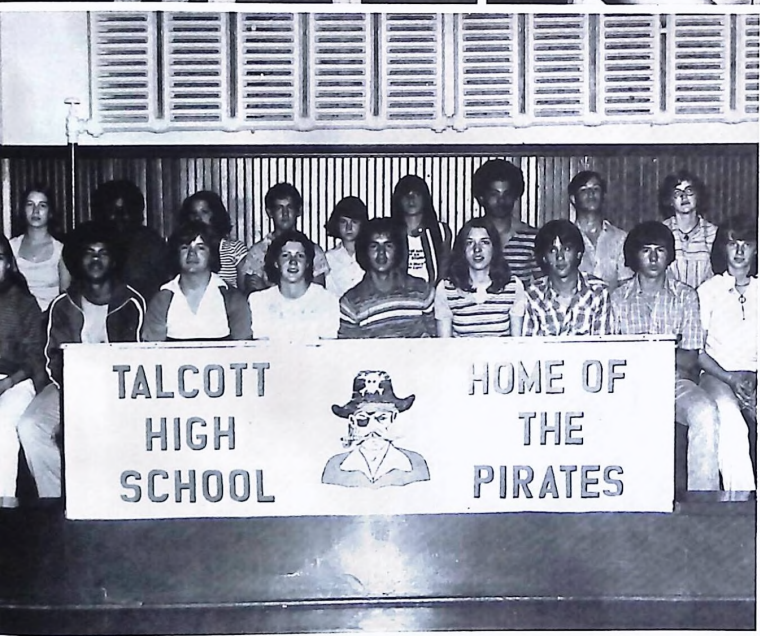

has been a good experience for us. The only thing we always agreed on

was that it is possible to work and play and accomplish all at the same time. This book is the positive proff. . . .

We're the students who are in charge of student affairs. Will someone please tell the faculty???
