Senior Will

I, Brenda Adkins, do will all my love to my darling husband, Danny Joe, and my loving baby, Gregory Scott, and all my troubles to anyone who wants Them.

I, Rita Allen, do will my basketball uniform to the next rookie on the team, my shooting ability to my sister Marlene, and my worn out tennis shoes to Dinah Gore.

I, Bonnie Bennett, do will my hard-working ability to my sister and all my books to Gail.

I, Mike Bennett, do will my "wildman" instincts to Frank Meador.

I, Brenda Canterbury, do will my ice skating ability to Renee Garten.

I, Mike Canterbury, do will my ability to get a date to "HOTDOG" who cannot get one.

I, Betty Erskine, do will all the happiness I have had in marriage to everyone that gets married.

I, Jimmy Faris, do will my driving abilities to Diana.

I, Johnny Faris, do will my good looks to all my friends, because they sure need something.

I, Kenny Friand, do will everything I have to myself, because I need all I can get, and all my love to June.

I, Linda Gill, do will my problems and grades to someone else.

I, Dinah Gore, do will nothing to no one, because it is not mine to will.

I, Timmy Halloran, do will my ability to plain talk, I mean talk plain to Harry Utterback and Jeff Yates, I mean...

SENIOR PROPHECY

'Tis 20 years past
Since I last saw the school,
And as I think back I
Remember all the fools
Who joined with me in
All the good times
As we played every minute
And enriched our great minds.
So harken, if you please,
To this simple hapless rhyme;
And see what works were wrought
By 20 years of time.
There's Bon Bon Bennèt,
A dashing young model-
And Danny, the trucker,
Is consumptious with his throttle
Debbie Ward has yet to leave
This Grand & Glorious State;
While H. O. Yates, U. S. Senator,
Is trying to run a debate.
Bennett the Bear is still
Sniffing the trees,
While Tabor is charging
Extremely high fees.
Lloyd's a mechanic w/th the
Grease and the grime;
While Karen's coiffeuring's
So bad its a crime!
Dinah's avoiding marriage
What ever it may cost,
While Mike Canterbury's truck
Was reported as lost.
Larry's lab explosion
Left him in pieces;
While Brenda & Susan
Are still typing leases.
Betty & Karen have been friends for life-
Each is contented to be a good wife.
There's Jimmy & Johnny
So gallent and mean-
And Bob is building
The house of his dreams.
Linda's still courting, & Brenda's awaiting
Her 14th child since her teenage mating!
Robin's excited with horses & races...
While Gail is still chasing
The Judson Mental Cases.
In Rita's cartoon she's a basketball star;
While David's aspiring his second gold bar.
Mike J. is a Vet, the best in the land;
Kenny's in prison and still shoveling sand.
Jeff is still farming,
So rich & successful;
While over the world
Tim's music is restful.
So now you have heard
The works of our class,
And must definitely agree
"77" was a BLAST!
