## *Dedication*

We, the 1968 Seniors of Talcott High School, wish to take this opportunity to dedicate this Volume XXV of the Pirate to our great and glorious Alma Mater.

The first Senior class from Talcott graduated in 1931. Since then it has been a tower of learning and knowledge for all those who have passed through its hallowed halls.

For many, many years our school has stood, and so as we graduate, we stand in awe as we gaze for the final time at our school. It has served us well. We will never forget our joys, sorrows, and good times shared with our classmates as we complete our education at good ole T. H. S.

Though the school may not last forever, never will its memory fade from the hearts of those to whom it has given and meant so much.
