

PIRATE '79

Talcott High School
Talcott, West Virginia
Volume XXXVI

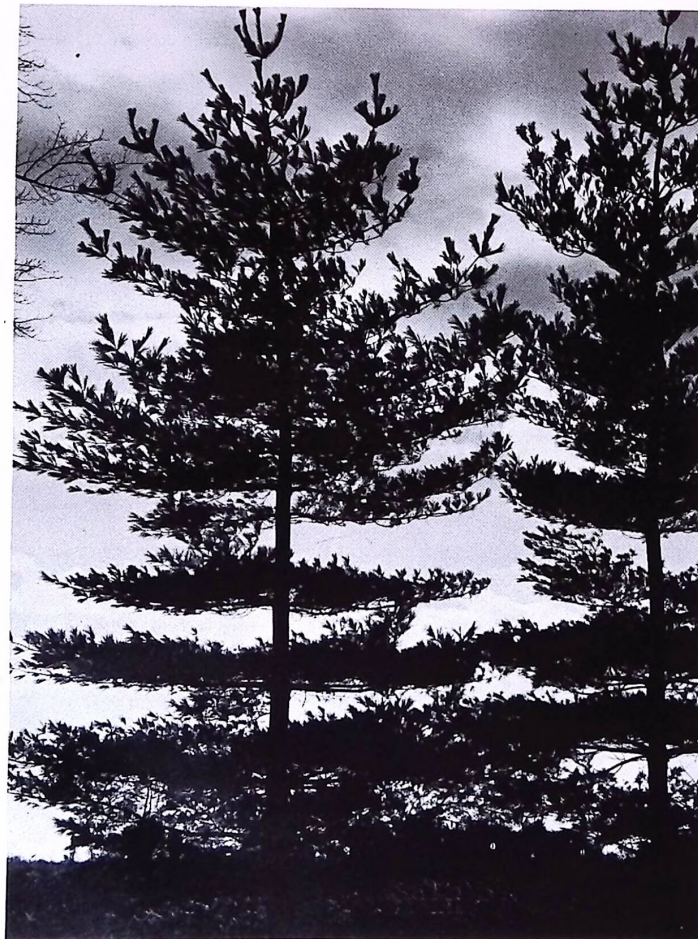

DEDICATION

We the 1979 Seniors of Talcott High School, wish to take this opportunity to dedicate this Volume XXXVI of the Pirate to Mr. Samuel Newton and Mrs. Carolyn Jones.

The first Senior class from Talcott graduated in 1931. Since then it has been a tower of learning and knowledge for all those who have passed through its hallowed halls. For many, many years our school has stood, and so as we graduate, we stand in awe as we gaze for the final time at our school. It has served us well. We will never forget our joys, sorrows, and good times shared with our classmates as we complete our education at good ole T. H. S. Though the school may not last forever, never will its memory fade from the hearts of those to whom it has given and meant so much.

SENIOR WILL

We, the 1979 Seniors, of the Community of Talcott, County of Summers, State of West Virginia, being of sound and disposing mind and memory, do hereby make, publish, and declare this to be our Last Will and Testament:

I, Eddie Biggers, being of sound mind??? and body, do hereby proclaim this to be my last will and testament. To all underclassmen who will continue to grace the halls of T.H.S., I will my ability, to smile in the middle of a rainstorm, to look over someone's weaknesses and derive pleasure from their strengths, and most of all to LOVE!

I, Patricia Lynn Buckland, being of sound mind and body do hereby will my ability to drive my race-pacer to Andre Mann, who needs it and my ability to go to Alderson and stay out late without getting in trouble to Diana Meadows.

I, Deniece Byrd being of sound mind and body do will all of my love to my husband, Bob and all of my cuteness to Moooses, because she needs all that she can get.

I, Randall Canterbury, being of sound mind and body, do will my dedication, hard work, and extraordinary talent in Masonry to Greg Bennett, who really needs it. Also, my good looks to anyone who can handle them.

I, Enola Renee Garten, being of sound mind and body do hereby will all of my "Love" to Mike, and my long hair to anyone who has the time to take care of it.

I, Bonnie Lou Mann, being of sound mind and body do will love to the unloved, happiness to the unhappy, strength, wisdom, truth, integrity, and my love for God to the people of Talcott High School.

I, Connie Sue Mann, being of sound mind and body, do will my basketball ability to my nephew, Zachary, and hope he uses it to become a pro. Also, all my love to my future husband in hopes that we will always be happy.

I, Rebecca Mae Martin, do here by will my bad luck to anyone who wants to give me a break.

I, Mary Carol Meadows, being of sound mind, do will my ability to play basketball to any rookie who thinks they can fill the uniform. My ability to party to Diana Meadows and Tammy Patterson without getting caught at it, and all my love to Marshall. P.S. And my loves baby soft to certain people at T.H.S. who needs it.

I, Tammy Patterson, being of sound mind and body, do will the Friday night dances to Eddie Biggers, my Junior Miss title to Teresa Smith, and my ability to roll down 2 hills in the middle of the night and sprain my ankle in 2 ditches to Mary Carol.

I, Ronnie Keith Pettrey, will my ability to be a mason to Greg Bennett. My ways of dribbling a basketball to Randall Canterbury, and ME to any good looking "Nice to be with" girl that wants me!

I, Donald W. Richmond, being of sound mind and body do will my good personality and my "Quack" "Quack" jokes to anyone who can stand them.

I, Larry David Richmond, being of sound mind and body do will my good looks to Randall Canterbury because it is a known fact that he needs them. In addition, I hereby will my "stang" to anyone who can control it as I can at high speeds. In conclusion, I will Franklin Delano "Roosevelt" Meador the ability to put on mufflers without getting burnt.

I, William Arthur Richmond, being of sound mind and body, do will my Cow-Catcher to F.D. Meador for two reasons: #1 reason for the "class" and #2 reason, because it has a bigger bed than his Charger.

I, Nolan Dale Rudisill, being of sound mind and body, do hereby will my ex-"T" bird to Dale Barker since he practically stole it anyway.

I, Verol Thomas Rudisill, do will my boots to anyone who "thinks" he can fill them.

SENIOR PROPHECY

I'm about to read a story it's really quite divine, About a group of kids that are nothing less than fine; Who are the students? You ask in the back of your mind, Who else could it be, but the great senior class of "79".

First there's Eddie Biggers who was not very hesitant, To take his place in the world as the first black president; And here's Tammy Patterson, "Miss Figure" of "79", Who married a stock broker to drink more expensive tasting wine; And of course Bonnie Mann, of whom there's not much to tell, She finally tied the knot with her handsome boyfriend, Mitch-ell; Next comes Ronnie Pettrey, the dedicated mason, Who wants to marry Connie, whom he is still chasing; And the housewife, Renee Garten, nicknamed in high school "Momma Moo", Has now become Mrs. Mike Kounse and has a lot of cookin' and diaperin' to do; And don't forget Bill Richmond, her high school chum, Who is stuck up on Judson in his factory making chewing gum; And there's Mary Carol Meadows the pro-basketball player at which she is a thriller, Who in between games is a wife to Marshall who is a famous well driller; Denlece Fox Byrd who is still married to Bob, is working in North Carolina at her new job; And of course Patricia Buckland who spent most of her time in Alderson, Drives an ever familiar black Cordoba from Darryl Rollson; Robert "Snatch" Reed who won the kings crown for which he ran, Has become a skillful Xerox computer repairman; Don't forget Dwain Friend who still drives a Camaro, But uses it as a family car since he was hit by Cupid's arrow; Robin Persinger has decided not to obtain anymore knowledge, Instead she's going to marry "Perk" and forget about college; And there's Larry "D.R." Richmond who went into the Marines, But left his Mustang at home and moved on to better machines; Look at Randall Canterbury, the famous masonry student, He now owns his own company and has gotten much more prudent; The army has Verol Rudisill under their wing, They made him shave his beard, a tragic and heart-breaking thing; See Greg Bennett, lifting all of the weight, As "muscle man of the world" he will always be great; Rex Belcher has become the greatest in his trade, He's a world famous carpenter, proved by all he's made; There's Mark Stalnaker, a technician of radar, He looks for lost planes or objects from afar; Just look up and you will see Nolan Rudisill on a telephone pole, Working for the telephone company either fixing a wire or digging a hole; Dianne Gore, in her brand new house, just sleeps in bed, And dreams about her one and only loveable Ted; The ever quiet Stephanie Wynes will never be bored, Since she married her wonderfully delightful David Ward; You can see Tammy Belcher very quiet and shy, Teaching wonderful children never to tell a lie; Becky Martin, who was master chef in Food Service at vocational school, Now has a maid to do all her work as she lies by her poll; Frank Trent was always giving "Trouble" some aid, But was calmed down by his love for Donna Kincaid; There's Donald "Duck" Richmond, who fixes computers around the clock, Now an electronic technician, he's really quite a shock; Connie Mann, the reigning "79" Homecoming Queen, Now as personnel manager of Montgomery Ward she can now be seen. Last and least here's Frank Meador the Dodge Charger Hustler, who still can't fix a car without being burned by the muffler.

They say great things must never die, For with the class of "79" this you can verify; This is something we will always believe in our heart, Because our wonderful memory from you will never depart; Even when we go to that wonderful place in the sky, And bring an unhappy tear to a dear friend's eye; There will always be a part of us in the world and in you, And no one will ever ask the class of "79", Who were you?
