Foreword

The Annual Staff has, in these pages, tried to capture and express some parts of the work, the play, the seriousness, and pleasure which have made our high school days a marvelous time.

We would like to thank everyone who has helped in this production--especially the merchants--as their cooperation has made this annual possible. The association we have had with them has been a real pleasure.

To our faculty we say, "Thanks for your patience with the staff." If it was not for you the work of the staff would be more difficult.

We hope that as you turn through the pages you will look back with satisfaction upon your High School days.

Dedication To

Mrs. Lena Pittino and Mr. Calvin Wallace
from
Senior Class of nineteen and fifty-nine

We feel that in the past four years you have been the germ of all public affection. A constant inspiration, friendship and love, patience, self control, the true school of courtesy. We feel you will continue to let every aspiration be upward as you have in the past. Be strong in every good resolution, seek the light for in the light there is real life, while in darkness there is death and decay.

After your teaching career is over we sincerely wish you a consolation of pride and joy in prosperity.

Class History

In the fall of 1955 there were 45 timid green freshmen entering Talcott High School on their journey to the top. Our sponsor was Mrs. Lena Pittino. As our first officers, we elected Sue Mason, Josephine Garcia, Buddy Lusk, and Bill Huston. We chose as our flower the hyacinth and our colors, lavender and yellow. Our motto was "We have taken the first step; proven we are not."

During our Sophomore year there were 39 of us. Mrs. Pittino and Mr. Wallace were our sponsors and our officers were: Suzanne Tolley, Dickie Halloran, Tommy Graham, and Benny Light. Our colors were gold and blue and our flower was the red rose. Our motto for this year was "We have taken the second step; proven we are not."

When our Junior year rolled around we had our play, "Hessie of the Hills" and the Junior-Senior Banquet. Mrs. Pittino and Mr. Wallace again acted as our sponsors. Our officers were: Lynda Perry, James Gray, Pattie Mann, Jerry Caldwell, and Bobby Cales. Our colors were purple and white and our flower, the orchid. Our motto was "Third step we have taken; proven we are not."

Finally our senior year has arrived. Mrs. Pittino and Mr. Wallace are the sponsors of our class of 26 students. We have chosen as our officers: Josephine Garcia, Tommy Graham, Lynda Perry, and Bobby Cales. Our colors are pink and charcoal and our flower is the pink rose. Our motto is "Final step we have taken; proven we are." We are looking forward to our senior play, Junior-Senior Banquet and the many other senior activities.

Class Prophecy

On my arrival from the Far East to the United States I decided that I would look up all my classmates of '59. Seventeen years have passed and I certainly would like to know the whereabouts of each one.

I find the former JAUNITA ATKINS happily married and living in Gopher City, Florida.

ZYLPHIA BLEVINS has graduated from William and Mary in Virginia and is now teaching Chemistry at Talcott High School, at Talcott, West Virginia.

JOANN BUCKLAND has left for Russia to try for a scholarship in Science. (General Math).

TOMMY GRAHAM AND JAMES GRAY are now playing the exciting roles of the great Bret and Bart Maverick on their new coast to coast television show.

They tell me that the former Beverly Harris now Mrs. BEVERLY MILLER left for Germany right after she graduated from high school.

LULA BUCKLAND has an outstanding job singing with the greatest opera in the west.

RONALD WHEELER AND FRED COOK are often seen patrolling the high seas looking for Long John Silver's Pirate Treasure.

CAROL WHANGER is running a famous restaurant in Paris, France, her Chef--you guessed it, EDWARD RICHMOND.

BOBBY CALES AND RONALD CANTERBURY are now playing professional basketball for the Philadelphia Warriors.

PATTIE MANN has moved to Princeton, West Virginia I hear. Well, I guess it was better, not quite as much traveling to do, don't you think.

ELEANOR COX went to Florida and is now owner and operator of the largest Pineapple Plant this side of the Mississippi River.

PHILLIS VAN STAVERN may be seen they tell me in the office of Talcott High School making all sorts of telephone calls. She seems to be the only one who can get the calls through.

IRIS JOHNSON AND REBECCA ROACH are working for the Power's Modeling Agency in New York City, modeling balloon dresses.

LYNDA PERRY AND SUE HICKS filled out an application for the United States Airforce and left it lying. Somebody mailed it and now they are working for Uncle Sam, in the Air Force Blue.

JERRY CALDWELL AND BILL HUSTON have gone to Alaska to hunt polar bear to secure the hides for women's coats.

JUDY JARELL is training polo ponies for the ranchers of Texas.

DICKIE HALLORAN is now a Jet Pilot and SUZANNE TOLLEY, now a Mrs., is at home training little Jet Pilots.

JOSEPHINE GARCIA is now a private secretary for the D. A. H. Construction Co. Guess what? She married the boss!
