SENIOR CLASS HISTORY

On September 3, 1946 a green bunch of people huddled in the halls of Talcott High School amid the shouting and trampling of veteran students. They had gathered from all points in Talcott district in an effort to enlarge their learning. One of the first things they did was to elect class officers and colors. The officers elected were: John Allen, President; Benny Sowers, Vice President; Ruth Richardson, Secretary and Treasurer. The only accomplishment that year was the struggle thru the school term.

The sophomore year was somewhat better. The students were conquering their inferiority complex and began hazing the poor green freshmen. Class officers that year were: John Allen, President; Colleen Andrews, Vice President; and Ruth Richardson Secretary and Treasurer.

The Junior year was a hectic one in life of this group. Class officers were Jim Monroe, President; Donny Maddy, Vice President; Benny Sowers, Secretary; Bill Boyd, Treasurer. That year brought about the gala Junior-Senior Banquet, with the theme "The Big Round Up." The Junior play, "The Adorable Imp", was presented with the following characters: The Imp, Berma Ellison; Hortense the Maid, Nova Sherwood; Abigail, Betty Coiner; Pamela, Nancy Comer; Dillworth Pickrell, Bill Boyd; Clint Purdy, Jim Monroe; Bryan Barclay, Junior Buckland; Winston Pickrell, Donny Maddy; Ross, Benny Sowers; Melvina Barclay, Lois Sims; Imo Jean, Ruth Richardson. The Junior Carnival Queen was Berma Ellison.

The Senior year was the coup d'egrace to the grand years of schooling. Class officers were: Emma Belle Ballengee, President; Reginald Harris, Vice President; Ruth Richardson, Secretary and Treasurer. Carnival Queen and King of the class were Berma Ellison and Reginald Harris respectively. Senior Honors went to John Allen, Valedictorian; and Emma Belle Ballengee, Salutatorian.

THE STUDENT PUBLICATION OF TALCOTT HIGH SCHOOL

TALCOTT, WEST VIRGINIA, DECEMBER 1949

SENIOR ATHLETICS

Junior Buckland—Junior was of Talcott's most versatile athletes last year. In basketball he was not a starter but played as much as any one on the team. In football he played center, fullback and guard; and in baseball he also played first base. He started the season as a pitcher, moved to catcher after 2 games, after catching the 2 games he played outfield for a while, then moved to first base and in the tournament he was on base. This year he will probably play 135 pounds. Junior is 6' tall and many girls like him.

How about a Tone-on-Tune between your two sweeteners? "Tone-on-Tune" means light and dark shades of one color, such as, if you have blue eyes (lucky stuff) try a light blue sweater under your royal or navy blue. More drollness than a "Brown Derby" (Vanilla ice cream, smothered in chocolate goo) Don't you wish you had one now. New fall cotton-matching cardigan really hittin this year. taking them up. Bet you didn't know there more than 7,000,000 of us girls in school. No
